

Competition Analysis

COMPETITOR NAME	TYPE	STRENGTHS	WEAKNESSES
Portronics	Direct	Affordable, wide product range	Limited smart features
Anker	Direct	High quality, strong brand	Expensive for students
Belkin	Direct	Premium quality, trusted brand	High price, less affordable
Baseus	Direct	Innovative design, good pricing	Moderate brand trust globally

Our Product/Service will be better than the competitors' solutions because:

Auto cut-off charging, easy plug-and-use design, and affordable pricing compared to complex or expensive smart charging alternatives.
